Destiny A.

Email · LinkedIn · X (*fka* Twitter) · Portfolio

Summary

Growth & lifecycle marketing associate with nearly **2 years'** experience across email marketing, CRM, campaign management, community building, and content strategy in tech and digital asset space.

Experience

AWC Community
Hybrid
Email Marketing Manager
Jul 2025 – Jun 2026

- Planned and coordinated email campaigns, including email copywriting, scheduling, audience segmentation, and A/B testing.
- Led a campaign that helped drive event attendance to an immediate **33% increase** and an **overall 200%** of its baseline.

Key Project: Program Lead - Community Creator Bootcamp

- Architected the Creators Bootcamp program from scratch to solve a community content gap, owning the curriculum structure, scheduling, and operational logistics.
- Recruited and coordinated guest speakers while managing end-to-end program delivery for a seamless learning experience.
- Drove marketing and recruitment outreach to onboard **100 participants**, establishing an active creator pipeline that noticeably improved community content and buzz ahead of upcoming events.

Framp Finance
Remote
Social Media & Community Manager
Oct 2025 – Jan 2026

- Built and grew the brand's early X (Twitter) and Telegram presence from the ground up, acquiring the **first 100+ organic members** in one week with a **60% weekly engagement rate** through targeted DeFi content and active outreach
- Hosted and moderated bi-weekly live AMAs covering DeFi education, product updates, and user onboarding, serving as the voice behind the mic to connect leadership, guests, and users.
- Managed daily community operations across X (Twitter) and Telegram, driving active two-way engagement through real-time Q&As, audience interactions, and structured feedback loops.

Web3 Nigeria
Remote
Community Manager
Jan 2025 – Jun 2025

- Built and grew the Anambra community from the ground up, driving a **100x increase** in organic membership.
- Drove early community growth through hands-on recruitment and direct outreach to prospective members.
- Established a local presence for Web3 Nigeria by connecting people and building a foundation for community engagement.

The Data Immersed
Remote
Content Writer
Aug 2024 – Dec 2024

- Spearheaded content planning and copywriting for all X (Twitter) campaigns, crafting engaging threads and posts to drive daily community interaction.
- Authored **5** in-depth educational articles breaking down complex data analytics and technology concepts into accessible insights for the community.
- Collaborated with cross-functional team members to align editorial calendars and social copy with broader community growth goals.
